ATG Transportation, LLC announces new terminal opening in Houston, TX

Auburndale, FL – ATG Transportation, LLC opened a new terminal in Houston, TX on April 1st, 2009.

The terminal will service the Texas, Louisiana and Mississippi markets. ATG provides LTL frozen and refrigerated services to retail and foodservice customers. ATG will be providing additional LTL services from Houston to North Carolina, South Carolina, Tennessee, Virginia, Alabama, Georgia, and Florida. ATG provides both warehousing and LTL services.

Carey Dukes, President, ATG “Our customers have asked us for this service and we answered their needs. This new service center will allow us to enhance the coverage area and offer improved delivery options for our customers.”

ATG, based in Auburndale, FL, has operations in Auburndale, FL, Port Everglades, FL, Jacksonville, FL Atlanta, GA and Houston, TX. ATG offers next-day and second-day LTL refrigerated service within the state, as well as a full menu of logistics services to match its customers’ needs.
